Our Story

UK Garden Buildings is proud to be a family-run business manufacturing a variety of garden buildings for over 30 years. We have become one of the UK's leading and most trusted garden room companies with a wealth of experience and knowledge in the industry.

We are proud to acknowledge that much of our trade is built around our reputation. Priding ourselves on customer service, we strongly recommend that you visit one of our sales sites across the country. Our experienced sales teams will be able to work with you to create a garden room to your design and specification.

Our garden rooms are made to order in our Staffordshire-based factory, using the finest quality materials from sustainable sources. We strive to produce exceptional garden rooms at the best possible price, whilst not compromising on service, choice, or quality.

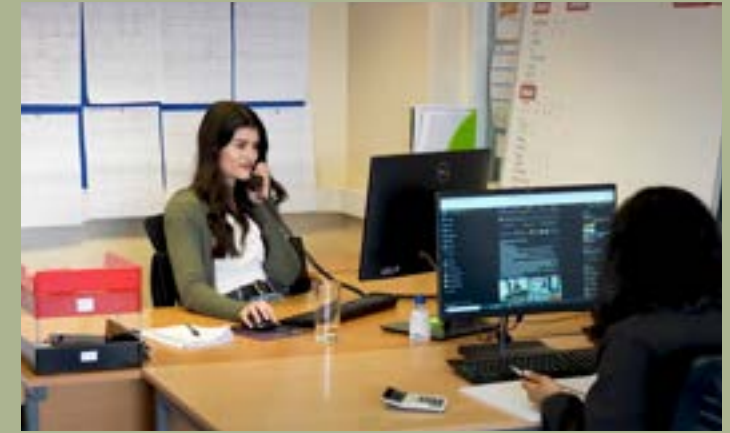

Our extensive selection of garden rooms and our flexibility gives you endless inspiration to design a garden room to suit your individual taste. Each garden room is handmade by our skilled craftsmen and installed by our own specialist installation teams nationwide.

PLEASE NOTE IMAGES ON OUR BROCHURES ARE SUBJECT TO COPYRIGHT. ALL THE IMAGES SHOWN ARE FOR ILLUSTRATION PURPOSES ONLY. EACH BUILDING WILL VARY ACCORDINGLY TO THE SPECIFICATIONS.

Our Factory

Our Process

- Our agent show sites are, without doubt, the best way to truly understand what UK Garden Buildings is all about. Visiting a showroom is also a great way to meet our sales experts and gain some valuable insight.
- Here you can view the different types of buildings in various finishes. Our sales team will be able to provide you with a brochure, price list, and samples along with a detailed quotation if required. You are welcome to order your garden room at our agents' show site or over the phone.
- Once the order has been placed, our head office will be in touch with you to organise a delivery and installation date.
